Become a supporter of the Adam Art Gallery.

Your contribution will have a direct impact on our work and will enable us to build on the Gallery's core activities to enhance our programmes and make us leaders in our field.

You can make a difference by helping us build the Adam Art Gallery Programme Development Fund which will be used to:

- Produce high-quality, well-researched publications and stage lectures, seminars, workshops and conferences that generate critical thinking and new knowledge.
- Include international artists, curators and writers in our activities to stimulate local discourses and to extend our reach as a world-class university art gallery.
- Enable us to keep up to date with what is going on nationally and internationally.

As all donations are made through the Victoria University Foundation which is a charitable trust, your contribution is eligible for a one third charitable gift taxation rebate.
