Adam Art Gallery Te Pātaka Toi's new Patrons' Programme provides an insider's access to the art world. Through a curated schedule of intimate events, Patrons are introduced to artists, curators, collectors, and the varied contexts in which art is made and shown.

Patrons will enjoy the satisfaction of seeing how their donations support artists, engage emerging talent, generate new knowledge, and deepen understanding of important ideas and practices.

For an annual donation of \$500 you will enjoy:

Advance notice and exclusive guided tours of our exhibitions.

A curated programme of special events designed to provide a unique insight into the work of the Adam Art Gallery and the wider art world.

Opportunities to attend ticketed events and field trips that will be fun and stimulating occasions to encounter art and support the Gallery's work.

As an Adam Art Gallery Patron you can take pride in helping us expand minds, create powerful experiences, and deepen insights into the nature and purpose of art—past, present and future.
